OPEN LETTER TO THE
ONTARIO FILM REVIEW BOARD

Who who read this letter, knows this:

RR#3 PICTOU
PICTOU, N.S.
BOK 1HO CANADA
JUNE 13, 1985

As a censor, you should be shot. You, your peers, your kind of anti-freedomistic s*** should be taken out to a lovely, dark hill near a sewage-dump site, tied to a favorite-ridden dead tree, and shot through the genitals not more than 100 times. I have stored by and gumbled in private when you censored films. I have sworn in my mind when you stop films from being shown simply because they offend your idea of morality. But NO MORE, do you HEAR? NO MORE!! The very idea of censoring home videos, of stopping films like Tin Drum from being shown, of cutting home videos - it makes my blood boil, my guts heave, and my brain reel in frustration screaming anarchy! Censorship of your type, of ANY type, is a crime against the intelligence of man. For to deny people the right to watch anything they want to in the privacy of their own

home, to suggest that they are not mature enough to know what is real and what is fantasy, to suggest even for a moment, that you are more capable of rational choice than they are, is a crime, an insult, and a degenerate act of a twisted mind! I am ashamed of you, your peers, your kind, and the government that lets you do your Cantrell's Raiders act on the films that people may watch! You are the lowest kind of dung-beetle imaginable, and if I receive a response from you, if you can say that I am wrong, if you can say that what you do is in the best interests of your idea of community morals, then I challenge you to do so!

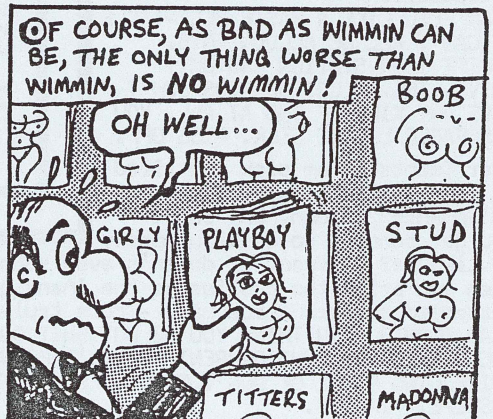

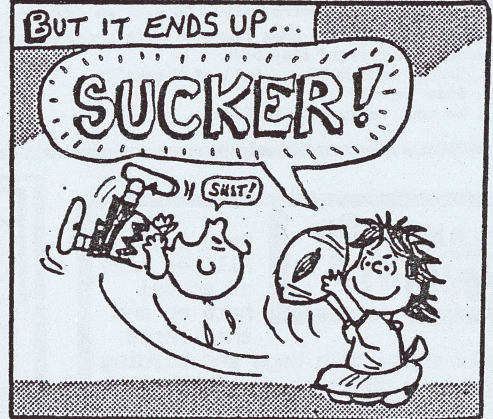

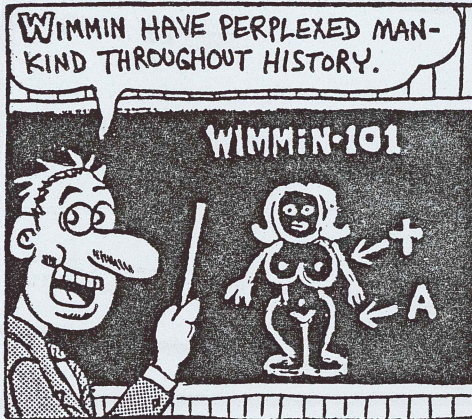

I CHALLENGE YOU!

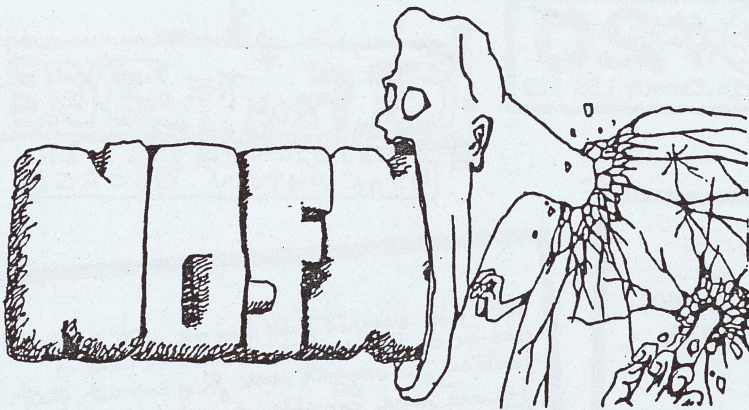

DEFEND YOUR RIGHTS!!!

A FEW WORDS ABOUT WIMMIN

by Professor Ace Backwards - © 12-1984

A Pigsclusive mail-interview with MIKE
bassist with up-coming L.A. skate-punk combo NO F-X:

First of all, why the name NO F-X as opposed to, say, NO FUN, NO SMOKING, SPECIAL F-X, or TFX-1138?

Well, I was opposed to the name NO F-X. I thought it was dumb, but (drummist) Eric convinced me. I wanted the name TFX-1138; it made alot more sense to me. And how did you come to sign with Mystic Records as opposed to, say, Polygram or, better still, Rhino?

We signed with Mystic coz it's free and there's no hassles.

You recently toured Nevada, Oregon and Idaho. What was your favourite town along the tour, and why?

Portland, Oregon, because the people there were soooo cool. But Reno had the best scene. Even the girls slam in Reno!

Will your current nationwide swing include a return date in Idaho? And if so ...WHY?!!

Yeah, we're going back to Boise. The punx there are cool, and there's a rad skate ramp. Plus... it's only seven hours away from Portland!

Now, on the more personal side, what is your favourite singer or group? Bad Religion.

Favourite food or drink?

Thai food and cheap beer.

And if you were stranded on a desert island with just one game-show host, who would it be?

If we were stranded on a desert island, we'd probably just want a mirror.

Here's some toss-up questions, fellas: In one word or less, give us your immediate thoughts on the following subjects...

Tim Yohannon? Punk rocker.

Chuck Norris? Bacardi.

Rowdy Roddy Piper? My dad.

Nancy Reagan? Bondage queen.

Coca-Cola's new formula? Dr. Pepper.

"The Honeymooners"? Sheriff Justice.

Argyle socks? Boston Red Socks.

Apartheid? Fucking racists. Fascist assfucks.

The VHS vs. Beta controversy? Go suck an egg!

Finally, if Barbara Eden reunited with Larry Hagman and granted NO F-X three wishes, what would they be?

1. Stacks (and MORE stacks!) of Marshalls.

2. Some talent.

3. We want to go back to Kansas.

IMANTS On ROMANTS

Dear Imants,
All the kids
at school
hate me and
they throw

their empty chip bags and burning
cigarette butts at me. What
should I do? -Feel Like A Waste
Receptacle.

DEAR FEEL LIKE A WASTE RECEPTACLE,
WE CAN'T ALL BE ACCOUNTANTS.

HAVE ANY KIND OF JOB AT ALL, YOU
MISERABLE LITTLE GEEK. PISS OFF.

Dear Imants, I am sick and tired
of you ghostwriting my "Imants
On Romants" column. Why don't
you get someone to do it properly

...like me? I mean, it doesn't even sound like me talking
when you print the replies to the inane queries that your
perverted readers throw up. -Yours truly, Imants.

DEAR IMANTS, YOU THINK YOU'RE HOT SHIT DON'T YOU? JUST
BECAUSE YOU'RE SCHIZOPHRENIC DOESN'T MEAN YOU'RE TOUGH, YOU

WE READ YOUR LETTERS

Here's hoping for luck

Regarding Dr. David Suzuki's
urges to halt war technology in
last week's Star.

It's a sad, sad fact that Cana-
dians, like lemmings, proceed
avariciously to the precipice of
existence with blinkers intact.

If mankind survives the mad-
ness we call nuclear technology, it
will be by sheer luck. Have a nice
day.

THE LORD SPEAKETH by James Lord

Dateline Toronto: and now
for the bad news!
Rockabilly is
dead in Toronto.
In fact, it's
been dead for a

while and the smell of rot-
ting flesh is stinking up
the city. The first indica-
tion came a while ago with
the mournful passing of
bands like the One Eyed
Jacks (with Steve Koch
and Chris "Baby Jesus"
Houston), the Hurri-
canes, and most
recently, the Tennessee

Rockets. The stench became somewhat noticeable
when Johnny Dee Fury denounced his old ways
and changed his hairstyle and image to main-
stream. Funeral arrangements were made as the
Bopcats became the Rock Angels and likewise
sold out to a broad-based rock sound. But the
lid was really nailed on the coffin as both
the Paladins and the Renegades grew their hair
long and moved their style of music to a 60's
style sound. Watch for an announcement of the
funeral service (closed casket, of course).
And while the Sidewinders may also be gone to
their eternal resting place, we may take com-
fort that the lone survivor of these casual-
ties, Handsome Ned, is carrying on. In fact,
go out and buy his new 45! It may not be
rockabilly but his countrified sounds are the
next best thing. See ya at the Grand Ole
Cameron (Toronto's answer to Nashville)!

Whoops, the Tennessee Rockets just got back
together!
